From the Principal's office

The third term is already in full swing. With the first week behind us it is important for each learner to put everything into their academics.

The Grade 12 Prelim examinations are around the corner. As of the 1 August there are 14 teaching days left until the Prelim examinations, 21 days (including weekends) to the start of the Prelim examinations and 24 teaching days until the start of the final NCS examinations. There are only 10 days left after the October holidays. It is therefore important that Grade 12 learners attend school to be fully equipped for the examinations.

We are regrettably saying goodbye to Mr K.Pillay after 11 years' service at Wordsworth High School. He has received a promotional post as a deputy principal by the GDE. We thank him for all the work he has put in at the school and inspiration he has been for each pupil and educators. He will be missed by all. We wish him well for his future.

Don't forget to keep visiting the school website – www.wordsworthhighschool.co.za . Newsletters will be available also on the website. Changes will keep happening on website.

Academic matters

All learner reports were issued to learners on Monday 31 July 2017. Please make sure you have received the report from your child. It is important to monitor your child's progress and to know where they stand so you can offer the necessary assistance.

The Programme of assessment for term 3 has been given to your child. This will help with preparing for tests in all subjects. This will be put on school website.

The prelim timetable which each Grade 12 learner has been given is also available on the school website.

Parent-Teacher meeting

There will be a parent meeting for all parents who wish to attend on **Thursday 3 August 2017 5pm-8pm** by appointment only, please ensure you make an appointment through your child with your child's relevant educator. The meeting is an opportunity for parents to communicate with their children's teachers one-on-one. All parties involved need to work together for the learners.

Security matters

Learners if you are crossing at roads please cross at the allocated area ONLY and take all necessary precautions. Be vigilant when walking alone, do not have valuables visible and walk in groups for safety. Parents and transport providers please ensure that you collect children in allocated areas and abide by road rules as your children's lives are at risk.
