## *From the Principal's office*

A reminder to all matriculants to keep on studying and going through past papers. It is very important to practice past paper questions. On the school website [www.wordsworthhighschool.co.za](http://www.wordsworthhighschool.co.za), there is a link under academics to download past papers. Changes will keep happening on website.

Thank you for a fruitful parents' evening last week Thursday 3 August 2017. It is important to keep all channels of communication open always. We want to ensure every pupil gets quality education and therefore we value your input.

It has come to our attention that learners from Etwatwa, Daveyton, Crystal Park and Wattville are regularly late for school. Please ensure that your child's transport abides by the schools times as your child is missing out on valuable learning time. Parents will be held accountable

School Hours

A Day : 7:40 – 14:15

B Day : 7:40 – 13:45

## *Academic matters*

Congratulations to English Department with the pupils that had to go to Oral Moderation. We had a positive report back and the pupils allowed the Wordsworth High School colours to fly high. There were also comments from other educators from the other schools on the neat appearance of our learners. Well Done. You can be proud of yourselves and your school.

For Accounting learners, there is a highly recommended tutor that can be contacted for extra enrichment classes. Contact details are as follows:

Mr L. Zwane

Cell Number: 082 576 9425 or 082 736 9425.

## *Sport matters*

Congratulations to the girl's soccer team who played Petit High School on 3 August 2017. The results were as follows:

### **Under 15 Team**

Petit High School 1 – 2 Wordsworth High School

### **Open Team**

Petit High School 1 – 4 Wordsworth High School

Well Done!

## *Security matters*

Although Wordsworth High School recognises the limited necessity of cell phones to make emergency arrangements after a sport/cultural event, the presence of cell phones and electronic sound equipment on the school premises between 07:30 and 14:15 is not allowed. **The school will not be held responsible for any damage to or loss of a cell phone/ electronic sound equipment while on the school premises.** The

school **will not** entertain or acknowledge any claim or complaint regarding the loss or theft of a cell phone/electronic sound equipment while on the school premises.

Please ensure that your child keeps their phones safe and unseen, especially while walking home or catching transport as muggings and theft is a great concern.

Learners do not walk with your earphones, firstly you cannot hear what is going on around you and secondly you are creating a target for yourselves.

Learners if you are crossing at roads please cross at the allocated area ONLY and take all necessary precautions. Be vigilant when walking alone, do not have valuables visible and walk in groups for safety. Parents and transport providers please ensure that you collect children in allocated areas and abide by road rules as your children's lives are at risk.
