From the Principal's office

Academics is of utmost importance at Wordsworth High School. With the Prelims for Grade 12 already started, Grade 12 learners are still encouraged to go through past papers in their study programme. Past papers are available on school website under ACADEMIC to download. (www.wordsworthhighschool.co.za). Your child attending Wordsworth High School needs to always have self-discipline. All workbooks need to be up to date. Parents are encouraged to have a look at pupil's books to see if the pupil is doing work and homework. The educators may also from time to time write a message for the parents to respond to. Keeping the books up to date will help the learners in their studying for assessments.

All learners are reminded to attend extra classes and intervention classes as indicated on term planner issued at beginning of term. If you have queries, please consult your subject educator or Mr M.Roux (Deputy Principal). Learners can approach their educators if there is extra help needed. Educator will organise a date and time with learner. We want our learners to be fully equipped for exams and tests.

Once again, we say that **WE WILL NOT BE TOLERATING BULLIES IN OUR SCHOOL!**

Intimidation and bullying other learners is a form of abuse, whether by mouth (even through social media) or by your hand. These are a criminal offence in the eyes of the law. Action will be taken against bullies

We urge parents & Learners to please speak to your Grade Tutor if you or your child are feeling threatened in any form by any other learner. No pupil must fear coming to school because of bullies.

Academic matters

For Accounting learners there is a highly recommended tutor that can be contacted for extra enrichment classes. Contact details are as follows:

Mr L. Zwane Cell Number: 082 576 9425 or 082 736 9425.

Reading is an integral part of learning and teaching. A Reading Lab programme has begun at school to assist in pupils with reading in Grade 8 and Grade 9. It will be on a Wednesday afternoon and Ms Mhlanga will be administering it. Identified learners will be given a letter to parents but if you feel that your child can benefit from reading, please contact Ms Mhlanga.

Once again to all Grade 12 Computer Applications Technology (C.A.T.) pupils are reminded with extreme seriousness that the P.A.T. task needs to be completed. Take the opportunity now to organise with Mr Rampai to complete now during this prelim time. Remember if you do not have a mark for your P.A.T. your matric certificate result will be withheld. The P.A.T. can also be a help to improving your results at the end of the year as it forms 25% part of your final promotion mark.

The Mini-Exam timetable has been given to pupils Grade 8 to Grade 11 along with this newsletter. Exams are fast approaching, start preparing yourselves, study hard and produce the marks you require to create the best result for yourself. Your future is in your hands!

Security matters

Learners if you are crossing at roads please cross at the allocated area ONLY and take all necessary precautions. Be vigilant when walking alone, do not have valuables visible and walk in groups for safety. Parents and transport providers please ensure that you collect children in allocated areas and abide by road rules as your children's lives are at risk.

School fees payments

It is important to ensure that your school fee payments are up to date. Please deposit the fees and debt payments into the school account and use your school account number or your child's name as reference.

First National Bank	Civic Lake Benoni
Account number:	62060255950
Branch code:	251742
