Dear Parents/ Guardians

The final term of 2017 is well under way. Please take note that it is normal school days for all Grade 8-11 learners until the final exams start.

ACADEMIC MATTERS:

Term 3 reports were handed out on Friday 13 October 2017. Please ensure that your child has given you the report in order to monitor progress. We have sent out danger of failing letters to parents of learners that have failed the third term, please ensure that you complete the reply slip and send it back to the school.

We have had incidents of learners fraudulently tampering with legal documents such as reports. Only original reports are sent to parents, please ensure you receive the correct documents from your children.

Compulsory intervention classes for Grade 8 & 9's will be taking place during the exam sessions as per the **Exam time table** that was sent out with this newsletter. Grade 10 & 11 intervention classes are set out in the **Term 4 planner** that was also sent out with this newsletter, if you are unaware of the extra classes for your child, please consult your child's subject educator.
