SUBJECT CHOICE FOR GRADE 10: 2022

Please keep the following in mind when making a subject choice for 2022.

1. English (HL), Afrikaans (First Additional Language) and Life Orientation are compulsory subjects.
2. Each learner must do either **Mathematics OR Mathematical Literacy**.
3. It is recommended that a LEARNER MUST HAVE ACHIEVED A 50% AVERAGE FOR FOR MATHEMATICS IN GRADE 9 IF HE / SHE WISHES TO CONSIDER MATHEMATICS AS A SUBJECT IN GRADE 10, 11 AND 12.
4. Mathematics is a requirement for **Physical Science**.
5. **Mathematics** is a requirement for the following degree courses: **BSc.** and **B.Com.**
6. Learners who wish to take **Computer Applications Technology (CAT)** must. . .
 - 6.1 have a computer at home (some activities **must** be done at home).
7. Learners who wish to take Dramatic Arts and/or Visual Art, must mark the subject(s) on the Subject Choice form and write down a second choice in the appropriate block on the form. Learners will be notified after the auditions/ selections whether they have been accepted to do Dramatic Arts and/or Visual Art. If a learner was not successful, the second option on the Subject Choice form will be taken.
8. Additional information will be communicated as the need arises for specific subjects.

Thank you for your co-operation.

Yours faithfully,

Ms CA Van Wyk
Acting Principal
